

Pregnancy Care Centers

of the North Willamette Valley

Speaking the language

It has always been at the heart of the Pregnancy Care Center ministry that we get out to the churches and communities to share how mightily God is moving in the lives of our clients. Most do not get to see the daily blessings and miracles from our perspective at the centers. We have speakers trained and ready to share stories of what we do and opportunities on how individuals can be involved. Messages can be tailored to fit your current topic. Your church or community group can stay informed about how the Lord changes lives in your local Pregnancy Centers. Having one of our speakers present an inspirational update on this incredible mission field in our own backyard can motivate and encourage your congregation, youth group, or small study. You will hear stories of success and see what exciting things are being accomplished through your support and involvement. In 3 to 30 minutes, in English or in Spanish, our goal is to be a resource for you.
